[REDACTED]

25X1

[REDACTED] Talked with Mr. Woodruff, Senate Appropriations Committee staff, concerning the House letter on the Agency budget. Woodruff indicated that final markup probably will not come before the end of July. He indicated that the Committee was fully aware of the House action and the purposes particularly in the RDC area. He indicated that he would not be at all surprised if the Senate did not push for a further reduction in funds aimed at an accelerated takeover of funding by DOD.
